Noam Smilovich

Sprint #1:
- What am I planning to work on next? Started working on basic html homepage
- What tasks are blocked waiting on another team member? NA
- XP Core Value: Communication

Sprint #2:
- What tasks did I work on / complete? Implemented a basic homepage.
- What am I planning to work on next? Several other pages starting with schedules.
- What tasks are blocked waiting on another team member? NA
- XP Core Value: Communication

Sprint #3:
- What tasks did I work on / complete? Completed several html pages
- What am I planning to work on next? Figure out how to connect frontend to backend
- What tasks are blocked waiting on another team member? NA
- XP Core Value: Communication

Sprint #4:
- What tasks did I work on / complete? Transitioned to Flask
- What am I planning to work on next? Figure out how to send/receive data from backend to frontend
- What tasks are blocked waiting on another team member? NA
- XP Core Value: Courage

Sprint #5:
- What tasks did I work on / complete? Implemented schedules on frontend and backend
- What am I planning to work on next? Implement different accessibility for different roles
- What tasks are blocked waiting on another team member? NA
- XP Core Value: Courage

Sprint #6:
- What tasks did I work on / complete? Still working on implementation from previous sprint
- What am I planning to work on next? Still working on implementation from previous sprint
- What tasks are blocked waiting on another team member? NA
- XP Core Value:

Sprint #7:
- What tasks did I work on / complete? Implemented different pages for different roles
- What am I planning to work on next? Implement backend side of it
- What tasks are blocked waiting on another team member? NA
- XP Core Value: feedback

Sprint #8:
- What tasks did I work on / complete? Implemented backend of different roles login
- What am I planning to work on next? Login with credentials implementation
- What tasks are blocked waiting on another team member? NA
- XP Core Value: feedback

Sprint #9:
- What tasks did I work on / complete? Credentials login
- What am I planning to work on next? Go over all the missing features and try to implement as many as possible
- What tasks are blocked waiting on another team member? NA
- XP Core Value: communication

Sprint #10:
- What tasks did I work on / complete? Implemented features.
- What am I planning to work on next? Prepare all the diagrams and figure out how to deploy the app to a cloud.
- What tasks are blocked waiting on another team member? NA
- XP Core Value :communication

Kaijian Wu
Sprint #1:

- What am I planning to work on next? Decide backend structure
- What tasks are blocked waiting on another team member? N/A
- XP Core Value:Communication

Sprint #2:

- What tasks did I work on / complete? Set up basic structure for backend
- What am I planning to work on next? Fully set up basic structure for backend
- What tasks are blocked waiting on another team member? N/A
- XP Core Value:Communication

Sprint #3:

- What tasks did I work on / complete? Figure out functions need for backend
- What am I planning to work on next? Figure out ways to communicate between Backend and Database
- What tasks are blocked waiting on another team member? N/A
- XP Core Value:Communication

Sprint #4:

- What tasks did I work on / complete? Decide to use flask for Frontend and Backend
- What am I planning to work on next? Figure out ways to communicate between Frontend and Backend
- What tasks are blocked waiting on another team member? N/A
- XP Core Value: Courage

Sprint #5:

- What tasks did I work on / complete? Some Backend implementation
- What am I planning to work on next? Login functionality
- What tasks are blocked waiting on another team member? N/A
- XP Core Value: Feedback

Sprint #6:

- What tasks did I work on / complete? More Backend implementation
- What am I planning to work on next? Backend implementation on different page
- What tasks are blocked waiting on another team member?
- XP Core Value:Feedback

Sprint #7:

- What tasks did I work on / complete? Some Backend implementation for different page
- What am I planning to work on next? Backend implementation on different page
- What tasks are blocked waiting on another team member?
- XP Core Value:Feedback

Sprint #8:

- What tasks did I work on / complete? Some Backend implementation for different page
- What am I planning to work on next? Credentials login
- What tasks are blocked waiting on another team member?
- XP Core Value:Feedback

Sprint #9:

- What tasks did I work on / complete? Credentials login
- What am I planning to work on next? Work with team member on missing features
- What tasks are blocked waiting on another team member? N/A
- XP Core Value:Communication

Sprint #10:

- What tasks did I work on / complete? Some documentation
- What am I planning to work on next? Documentation based on requirements
- What tasks are blocked waiting on another team member?N/A
- XP Core Value:Communication

David Wang

Sprint #1:

- What am I planning to work on next? Started to work on Google database.
- What tasks are blocked waiting on another team member? NA
- XP Core Value:Communication

Sprint #2:

- What tasks did I work on / complete? Continued work on Google server database
- What am I planning to work on next? Continue work on google database
- What tasks are blocked waiting on another team member? NA
- XP Core Value: Communication

Sprint #3:

- What tasks did I work on / complete? Google database is unresponsive, switched to MongoDB
- What am I planning to work on next? Python handler for MongoDB
- What tasks are blocked waiting on another team member? NA
- XP Core Value: Adaptability

Sprint #4:

- What tasks did I work on / complete? Backend database
- What am I planning to work on next? More backend implementation
- What tasks are blocked waiting on another team member? NA
- XP Core Value: Feedback

Sprint #5:

- What tasks did I work on / complete? Some backend stuff for webpage
- What am I planning to work on next? Frontend webpage
- What tasks are blocked waiting on another team member? NA
- XP Core Value:Feedback

Sprint #6:

- What tasks did I work on / complete? Other Front end
- What am I planning to work on next? Front end other page
- What tasks are blocked waiting on another team member? NA
- XP Core Value: Communication

Sprint #7:

- What tasks did I work on / complete? Frontend for Main page
- What am I planning to work on next? Front end for different tasks
- What tasks are blocked waiting on another team member?NA
- XP Core Value:Communication

Sprint #8:

- What tasks did I work on / complete? Frontend Page HTML
- What am I planning to work on next? Documentation for findal
- What tasks are blocked waiting on another team member? NA
- XP Core Value: Communication

Sprint #9:

- What tasks did I work on / complete? Frontend stuff
- What am I planning to work on next? Documentation for final
- What tasks are blocked waiting on another team member? NA
- XP Core Value:Communication

Sprint #10:

- What tasks did I work on / complete? Documentation
- What am I planning to work on next? Documentation
- What tasks are blocked waiting on another team member? NA
- XP Core Value:Communication
